

Application for the provision of a memorial plaque to be placed on the wooden rail in the Garden of Remembrance

Please consider the wording that you would like to use for the engraving of the memorial plate. Examples are provided on a separate sheet to indicate possible layouts and wording, which we hope will be of assistance. All plaques must be approved and installed by the Parochial Church Council. Once we have received your application, there may be a delay of a number of weeks since we try to submit several orders to the engraver at the same time. Plaques are typically placed within about 3 months.

With all good wishes,
The Churchwardens

- The eternal God is your dwelling place.
- God is our refuge and strength.

- Let not your hearts be troubled, neither let them be afraid.
- Christ has been raised from the dead, the first fruits of those who have fallen asleep
- He shall gather lambs with his arm, and carry them in his bosom – Isaiah 40
