

# Thank you!

Churches are important to people for all sorts of reasons as part of the story of their life - their place of worship, where they were married or as a building at the centre of a community. Legacies continue that story for other generations.

Whether you wish to support the future development of the church or preserve the historic aspects of the building, we can help you direct your legacy to ensure it is spent as you wish.

As a charity we depend on legacy gifts from people like you to secure our future.

## Leave a Legacy

Make a lasting gift to your church

Registered charity numbers:

# Your Will Matters

We are God's stewards, entrusted to use His gifts for the good of our family, the church family and others.

We should take will writing seriously - setting our affairs in order and stewarding them wisely to the end of our time on earth.

Once you have made provision for your loved ones, you have the opportunity to make a lasting gift to God by leaving a legacy to His church.

# An Amazing Gift!

With our old, unreliable sound system Lydia Jack found it very hard to hear in church. She wanted to help others and her legacy was used to upgrade to our new, vastly improved system. Today we all benefit and are incredibly grateful for her generous gift.

Every legacy gift, whether large or small, makes a difference to our church. We use legacies to fund key projects and initiatives rather than day-to-day church running costs.

Leaving a gift to your church will have a tremendous impact on our future.

**Please think about it, pray about it and act upon it!**
