

God's love for us :prayer and craft activity

Cut out several coloured hearts of the same size.

Fold the hearts in half and cut out the middle sections- you can discard these or use them for something else!

Open out the hearts

Make a cut, like so, at the side of each heart.

Link the hearts together by overlapping the cut edges and gluing them (a bit like making a paper chain).

Attach a piece of ribbon to one of the end hearts and hang on a door knob!

Things to talk about and use for prayer...

- talk about God's love for everyone and how He wants us to show love to others
- Children could write names of people on the hearts who they would like to know God's love
- Children could write names of family members/ friends on the hearts or choose a different colour to represent each person and pray that they will experience God's love in the coming week
- Children could write on the hearts things that God has made or done that show how much he loves us/ them in particular (especially any answered prayers!)
- the different coloured hearts show that we are all different, but we are all joined together by the fact that God loves us!
